

# Jubilee Primary School and Children's Centre 10th June 2019

## Workshops and Visitors

### Honey Bees Workshop

We were buzzing to have an amazing and informative visit from School Food Matters about honey bees. Pupils from Years 3, 4 and 6 learnt about: anatomy, nest building, life cycles, importance of bees in food production and honey. They saw live bees in an observation hive and tasted some honey.

### Paul Cannoville

We were delighted to receive an inspirational assembly from ex-Chelsea player, Paul Cannoville, about racism in sport and how he over came it. He also explained to the children how much difference receiving a good education might have made to him after his football career ended and why they should always try their best in education.

### Peter Bakare

Inspiring Olympic volleyball player Peter Bakare visited and gave a great assembly on resilience and doing your best. We challenged, surprised & excited the kids to lead a fulfilling and healthy life. He also put the pupils through their paces with a series of fitness workshops throughout the afternoon.

## Upcoming events- Save the Date!

### Bike Market 17th June

We will be holding an Express Second-hand Bike Market on the 17th June 2019. The markets provide a great opportunity to pick up a serviced, affordable bike for you or your child or sell an unwanted bicycle, earn a little money and in the process create affordable bike stock for others in your community. If you wish to buy a bike it is important you pre-order on the website as they only bring pre-ordered bikes - <https://www.peddlemywheels.com/market-order-form>

### Year 2 Cake Sale on 19th June at 3.30pm

Year 2 will be holding a cake sale to raise funds for their upcoming beach trip.

### Open Evening Drop In 2nd July

We are holding an open evening where parents can pick up their children's reports, see some of the fabulous work completed by the children through the year and chat to your child's class teacher.

### Sports Day 9th July

Following the success of last year we will again be holding our sports day for Years 1-6 over at St Martins High School. All parents/carers are warmly invited to attend.

## Summer Fair

Preparations are in full swing for this year's Summer Fair which will be held on **Friday 28<sup>th</sup> June from 4-6pm**. Last year's fair was a big success. We raised over £2,000 for the school with the usual fun & games, stalls, raffle, live music and international food. This success was partly due to the staff and parents that volunteered on the day. We would be grateful for any help that you can offer, whether it be an hour or two running a stall or helping to set up before or clear up after the fair. We'll be sending out letters asking for volunteers very soon, but if you can help please email us at [jubilee-parents-association@googlegroups.com](mailto:jubilee-parents-association@googlegroups.com) or pop in and see us for a coffee on a Friday morning in the Parents Room.

## Eid Lunch

We would like to say a huge thankyou to all parents/carers who contributed to this year's Eid Lunch. We enjoyed a wonderful array of dishes and the children had a lovely time, despite the inclement weather!

## Library Revamp

Classes will be visiting our newly redecorated and reorganised Library for the first time today. The space now looks absolutely fantastic and has become a massively inviting place to visit, take books from or just sit and read. Have a look on our twitter page @JubileeBrixton to see the transformation. It really is quite spectacular!

Huge thanks to the Parents Group volunteers, members of staff and pupils who have worked so hard to bring this change about.

## BBC Visit Jubilee

Last week we had visitors from the BBC's Gardeners World programme in filming the work of Seonaid Royall, one of our most amazing parent volunteers, as part of their coverage of the Hampton Court Flower Show. Seonaid has a Garden at the show this year and Jubilee pupils have contributed to the creation of the garden and elements of it will be relocated to Jubilee once the show is over. 3MG are very much looking forward to visiting the garden this week.

It was great to have the BBC in and have an opportunity to showcase all of the amazing outdoor learning work that goes on in school. It has become a really important part of our curriculum and it was lovely to hear many of our pupils talk about our outdoor spaces and outdoor learning with such pride and enthusiasm.

## Sport at Jubilee

Our girls football team have had a mixed start to the term. They lost out 4 :1 to a very strong Vauxhall team in their first league fixture before coming back strongly last week to defeat Christ Church Streatham 3 :1.

# Jubilee Primary School and Children's Centre 10th June 2019

## Trips

Year 1 have visited Pizza Express and Dulwich Picture Gallery

Year 4 visited the Museum of London as part of their topic

Year 5 attended a Lego Mars Explorer workshop at the Natural History Museum

Year 3 visited the Natural History Museum

## World Environment Day

Our first celebration of World Environment Day was a great success. Many pupils and teachers brought in items to be recycled, creating a recycling mountain in school. Congratulations to 5CC who earned the most class points by: going plastic free, travelling to school by walking, scooting or cycling, or by bringing in items to be recycled.

Many thanks to all pupils and parents who contributed a pound to come to school dressed in blue or green for the day. The money raised will go towards future science enrichment activities for the school.

## Dress Up Career Day and Wear a Hat Day

We love to dress up in order to raise awareness and funds here at Jubilee and were delighted as always with the positive response from families as we dressed up in clothes to represent the careers we would like to go in to in the future for careers day and when we wore hats for Wear a Hat Day. Fundraising from Wear a Hat day raised a phenomenal £197 for Brain Tumour Research.

## Children's Centre

Wriggle & Rhyme is now held over at Brockwell Park from 9.15 - 11.15 (every Monday)

We also have a new Stay and Play every Monday afternoon from 1 - 3 at Brockwell Park

Do you have a baby 8 months old and under? Then please book yourself onto our Baby & Us course every Tuesday from 1-3pm.

Do you need advice for housing or benefit changes? If so we have CAB (Citizen Advice) every fortnight.

Please pop into the school office and ask to speak to Noyana or Alison from the Children's Centre for further information

## Windmill Cluster Events

### Cluster Bake Off Reward

As a reward for winning the Cluster Bake off Competition, Alex and Malaki from Year 4 enjoyed a trip to The Old Post Office Bakery. They got to see how a bakery works and taste all of the delicious ingredients they use there.

### Maths Olympiad

Congratulations to Hasan, Ishan, Suhayma and Joshua who achieved silver medal position in the cluster Maths competition. This is the first time we have achieved silver in this event and all of the pupils should feel very proud of this success.

### Poetry Slam School Heats

Congratulations to the pupils who made it through the Jubilee Heats of the Cluster poetry slam competition. Jubilee have won this event for the last two years and there is huge interest in performing. The standard was incredibly high and it was very hard to pick the 8 acts to go through and compete against other schools in the cluster.

## Notices

### Parking

We have recently had quite a few issues with parking on the estate at pick up and drop off times. Please can parents refrain from parking outside of the designated parking areas as this is causing congestion on the estate.

### Urban Arts Fair

Please look out for Jubilee pupil's work on display at the annual urban arts fair taking place on Josephine Avenue Brixton on the 6th and 7th of July

### School Journey

Some spaces are still available for Year 6 school journey taking place between 12-15th July. If you are interested in booking a place or would like to know more about cost then please contact the school office

### School Dinners

If you have a child currently in Year 2, please visit the school office for a school meals contract, this will allow us to assess whether your child will be eligible for free schools meals in KS2 and arrange payment if they are not but would like to continue receiving hot meals.

LEAP Early Action Partnership and LEAP Confronting Conflict want to support parents/carers in bringing the community together to identify areas of concern in the community. We will be holding a coffee morning at the school between 9:30 and 11:00 am on 14th June. All are invited.

### Grandparents Plus Coffee Morning

The organisation Grandparents Plus, who offer support to carers looking after other family members' children are having a coffee morning on Monday 24th June. Please look out for flyers for further information.
